

Notice of Deadline Extension

Extension of application period for local drinking water source protection committee – Economic - Agriculture Sector (2)

Applications accepted until Monday, October 16, 2017

The Ausable Bayfield Maitland Valley Drinking Water Source Protection Committee (SPC) is a 15-member committee reducing risk to local municipal drinking water sources. It achieves this through implementation of effective, practical, locally developed, provincially approved plans.

One third of the committee (five members) comes from economic sectors as per *Ontario Regulation 288/07* of the *Ontario Clean Water Act, 2006*. Locally, three of those five economic member seats are from Agriculture.

Another third of the committee is from municipalities.

The other third of the committee represents Other – Environmental, Health, and other interests of the general public.

The Ausable Bayfield Source Protection Authority, on behalf of the region, is seeking applications for two individuals to serve on the committee to fill two (2) vacancies for committee members from the *Economic – Agriculture* sector. For a summary of member obligations and full job description visit: www.sourcewaterinfo.on.ca. For the requirements under *Ontario Regulation 288/07* (Source Protection Committees), please visit: www.ontario.ca. As per Regulation, a committee member must reside in, own or rent land in, be employed in, operate a business in, or be employed by a municipality located, in the source protection region.

If interested in applying to be considered for appointment to the Ausable Bayfield Maitland Valley Source Protection Committee, please submit a cover letter and résumé, with position title clearly marked, by **Monday, October 16, 2017** by 4 p.m. local time, to:

Brian Horner, General Manager,
Ausable Bayfield Source Protection Authority,
