## Notice

### Call for applications for local drinking water source protection committee – Agriculture Sector (2) and Environment (1)

The Ausable Bayfield Maitland Valley Drinking Water Source Protection Committee (SPC) is a 15-member committee reducing risk to local municipal drinking water sources through implementation of effective, practical, locally developed, provincially approved plans.

The Ausable Bayfield Source Protection Authority, on behalf of the source protection region, is seeking applications for three vacancies on the SPC. There are two (2) vacancies available for the *Economic – Agriculture* sector and one (1) vacancy for a committee member for *Other – Environmental public interest*.

For complete notice, a summary of member obligations, and full job description visit: [www.sourcewaterinfo.on.ca](http://www.sourcewaterinfo.on.ca). For requirements under *Ontario Regulation 288/07* (Source Protection Committees), visit: [www.ontario.ca](http://www.ontario.ca). As per Regulation, candidates must reside in, own or rent land in, be employed in, operate a business in, or be employed by a municipality located, in the source protection region.

If interested in applying to be considered for appointment to the Ausable Bayfield Maitland Valley Source Protection Committee, please submit your cover letter and résumé, with position title clearly marked, by Monday, September 25, 2017 by 4 p.m. local time, to:
