

Notice

Province of Ontario has approved local Source Protection Plans and Updated Assessment Reports for Maitland Valley, Ausable Bayfield Source Protection Areas

The Ausable Bayfield Maitland Valley Drinking Water Source Protection Committee is pleased to announce positive steps forward that will reduce risk to your municipal drinking water sources.

The Province of Ontario has approved Updated Assessment Reports and locally developed Source Protection Plans.

Plans were approved on January 19, 2015. The date they take effect is April 1, 2015. You are invited to inspect these documents online at: www.sourcewaterinfo.on.ca or during business hours at one of these locations:

**Maitland Valley
Conservation Authority**
1093 Marietta Street,
Wroxeter, Ontario
519-335-3557

**Ausable Bayfield
Conservation Authority**
71108 Morrison Line,
RR 3 Exeter, Ontario
519-235-2610

If you are located close to a municipal well and would like to learn if Plan policies apply to you, or how you can protect local drinking water sources, call toll-free **1-888-286-2610**.

For more information on the approved Source Protection Plan and the policies that will apply to drinking water threat activities, you are also invited to attend one of these open houses:

Thursday, Feb. 26, 2015 – REACH Centre, Clinton, 3 p.m. to 7 p.m.

Wednesday, March 25, 2015 – North Huron Westcast Community Complex, Wingham, 3 p.m. to 7 p.m.

Thank you for all you do to protect drinking water and public health.
