Notice of Proposed Amendments to Source Protection Plans; Assessment Reports

as per Section 34 of Ontario Clean Water Act, 2006, and O. Reg 287/07

This notice advises you that the Ausable Bayfield Source Protection Authority (SPA), on behalf of the Ausable Bayfield Maitland Valley Source Protection Region (SPR), has proposed amendments to the Maitland Valley and Ausable Bayfield Source Protection Plans and Assessment Reports. These amendments include new technical work and maps to incorporate both new and revised wellhead protection areas for Benmiller, Blyth, Dungannon, Molesworth, Ripley, and Varna. A revision to two policies is also proposed. If you own property or conduct activities in these wellhead protection areas, these changes may affect you.

You are invited to inspect and review the proposed amendments, and the related updated portion of the **Explanatory Document**, on the Internet at www.sourcewaterinfo.on.ca. Also, these changes are available for inspection by the public, during regular business hours, at the following locations:
