Five positions available on local Source Protection Committee

The Ausable Bayfield Maitland Valley Drinking Water Source Protection Committee (SPC) is reducing risk to local municipal drinking water sources. It is doing this through implementation of locally developed, provincially approved source protection plans.

Ausable Bayfield Source Protection Authority, on behalf of Ausable Bayfield Maitland Valley Source Protection Region, is seeking applications for five vacancies on the committee.

Vacancies are for representatives from the following interests:

- Property owner (1)
- Public-at-large (1)
 - Industry (1)
 - Commerce (1)
 - Environment (1)

It is anticipated there will be up to four meetings (half-day or full-day meetings) per year.

There is remuneration for time and travel.
